Preconception care is the ultimate prevention: relevant, sustainable, not expensive, later-on. Safe motherhood, paves the way for good growth and development and good health and well-being. The period before pregnancy, the preconception phase, is crucial for a healthy pregnancy and for the whole generation.

Before life... Rotary’s role

Yolo: A Game

The illustrations give rise to questions, discussion and informative talks about physical, psychological, emotional and social items during puberty. The game can be used in lessons Biology and Social Studies or Human Rights.

Dear daughter, dear son

This RAGtime of the Rotarian Action Group Healthy Pregnancies / Healthy Children was sent to Rotarians, Rotaracters, Clubs and Districts to stimulate them in reducing child and maternal mortality.

The Rotarian Action Group Healthy Pregnancies / Healthy Children provides information, expertise and encouragement to Rotarians, Rotaracters, Clubs and Districts to stimulate them in reducing child and maternal mortality.
